Pastor's PRO-LIFE SUMMIT

Dr. Laurence White is the Senior Pastor of Our Savior Lutheran Church in Houston, Texas. He has spoken to millions of Americans on the fundamental life issues and is a regular guest on such programs as Focus on the Family and Reclaiming America.

Abby Johnson is the author of the book unPLANNED. It wasn't until Abby helped perform an abortion procedure that she fully realized what her work for Planned Parenthood was all about. She now speaks on behalf of unborn children, women and the pro-life cause in our nation.

PALS, a post-abortion panel of women, will also share their stories on the abortion experience and how God's love has brought healing, peace and hope back into their lives.
